Luna Dance & Creativity announces the upcoming **May Day Gathering & Bazaar**, a free, family-centered, outdoor street celebration, slated for Saturday, May 2, 11am-3pm, on Potter Street between 7th and 9th Streets in Berkeley's Potter Creek/Aquatic Park neighborhood.

This joyful street fair offers a safe and welcome public space for families, neighbors, and local businesses. The **May Day Gathering & Bazaar** transforms Potter Street, behind Luna's studio in Southwest Berkeley, into a vibrant, ADA-accessible block party for dance, artmaking, connection, and commerce. Designed for children, families, and neighbors of all ages and abilities, the event spotlights 25 local artists and entrepreneurs; connects families to trusted community resources; and reflects the Aquatic Park/Potter Creek neighborhood's cultural mosaic. Along with small business booths, Luna will offer interactive dance and cultural activities that foster creative play, holistic health, and community connection.

Space is still available for vendors. If you're interested in selling your products or services, contact John-Mario Sevilla at (510) 883-1118, ext. 2, or jmsevilla@lunadancecreativity.org.

Luna's **May Day Gathering & Bazaar** is made possible through the generous support of Kaiser Permanente and Mechanics Bank.

About Luna

Founded in 1992, **Luna Dance & Creativity** is a nationally recognized Berkeley-based nonprofit dedicated to bringing creativity, equity, and community to every child through dance. Luna partners with schools, families, and community organizations to expand access to arts education, especially for children least likely to receive it, including those in the dependency system, living in poverty, or with disabilities. Grounded in creativity-based pedagogy, Luna's programs nurture artistic expression, learning, and connection through movement.

Last year, 130 families, 1,894 teachers, artists, and caregivers, at least 28,975 students, 4,056 with disabilities and special needs, from eleven counties across the country (Alameda, Contra Costa, Los Angeles, Marin, San Francisco, San Mateo, Santa Clara, Sonoma, Shelby TN, Honolulu HI, and Kings NY), twelve public school districts (Berkeley, Fontana, Los Angeles, Miller Creek, Novato, NYC District #13 & #32, Oakland, Reed Union, Ross Valley, San Rafael, and Sausalito), six independent schools, and institutions of higher learning (Cal State East Bay, University of San Francisco and College of Marin) received Luna's programs and resources.
